### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: non-elected claims 18-23 are cancelled.

2. The following is an examiner's statement of reasons for allowance: The combination of a satellite management controller to receive a request for system management information and to provide system management information of a computer board set through a bus interface; and a baseboard management controller to receive the system management information from the computer board set and to transmit the system management information to the computer board set through a computer board set bus interface, wherein the satellite management controller and the baseboard management controller operate simultaneously on the computer board set to create a dual-domain microcontroller to communicate secure system management information has not been found in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The information disclosure statement filed 4/15/02 has been placed in the application file, but the information referred to therein has not been considered as to the merits. Applicant is

Art Unit: 2182

advised that an applicant of a different case made the submission in error, and this person has been informed of the mistake.
